

Look Out For More Lies.

To the Editor of THE ADVOCATE.

I was told by one of the paid whippers-in of the republican party that they would explode a bomb a day or two before election that would stampede the People's party. The glorious party of freedom, the champion of the oppressed and downtrodden has become the harbor of villains of every degree, and instead of appealing to the intelligent reason of the people for support, has been forced to employ rotten eggs and bombs in lieu of facts and argument. Be prepared to hear lies the most despicable, and to see frauds and corruption unprecedented. People's party men, be on guard, for the enemy is desperate. J. A. M. Emporia, Kas.

Griebel Stays to Win.

Rumors have been industriously circulated throughout the Thirty-ninth senatorial district to the effect that John J. Griebel, People's party candidate for state senator, had been withdrawn from the senatorial race. This is not true. The senatorial committee for the Thirty-ninth senatorial district met in Hill City October 21, and decided, without a dissenting vote, for Mr. Griebel to stay in the fight to the finish, and made arrangements for a vigorous campaign until election. Let all People's party men stand firm. H. D. CLAYTON, Secretary Thirty-ninth Senatorial Committee.

More Forgery.

Jeffersonian.

Republicans have printed a fac simile of the letterheads of the Allen county alliance, and are using it to write letters upon to members of the alliance in this congressional district, advising them to vote for Funston, and falsely stating that alliance men of Allen county will do so. A letter from Mr. Runyan, chairman of the People's party committee of Allen county, and a member of the alliance, denounces the forgery, and warns all alliance men against being deceived by it. He also states that a poll of the county gives a clear People's party majority in it. Is Mr. Funston cognizant of this disgraceful proceeding?

Mrs. Thomas Jefferson Smith says, in the speech she is rehearsing through Kansas, that silver never was demonetized in this country. John Sherman says it was; but then John always would lie, and besides he is not as much of a statesman as the man who wrote Mrs. T. J.'s speech.—Mills' Weekly World.

REMARKABLE SUCCESS.

In treating catarrh Drs. Copeland & Branaman stand pre-eminent. They have had such success as to place them beyond competition. Mr. Thomas McGill, a respected citizen and farmer living near Yates Center, Kas., said:

"When I went to Drs. Copeland & Branaman my symptoms would cover the whole range of catarrhal suffering. My nose and throat were clogged up and my head was sore and aching. I had pain in my chest, and my stomach and lungs were affected."

"I went to Kansas City expressly to have an examination and place myself under treatment, as I had read so much of their wonderful cures. I hoped that they would handle my case with the same success they had many others, and now, after taking a course of treatment from them I can say that all my hopes have been realized, for my head is sound and well. I have no more sore throat, I breathe freely, with no cough; no night sweats, no dizzy spells or heart palpitation; I have no more lung or stomach trouble and the pains have left my limbs and other parts of my body. My health is excellent for a man of my age. All these wonderful results have been accomplished through the skill of Drs. Copeland & Branaman."
